[This week](#)

Our Special Guest today is Tom Volk, the original Director of the Channel Island's Harbor who will share with us some of the history of the creation of the County's only harbor.

[Next week](#)

We will hear from Doc Reynolds who will thoroughly entertain us with his talk on 'Dialects.'

[Last week](#)

Our program cancelled, so it was open. And the last Friday will have a program. Lion 1VP Will BERG is warming up for his presidential incompetence.

[Ramblings from Ross](#)

Gee, Lion President Ross. One week you manage to send your BE a joke in place of a real message and that Herculean effort tuckered you out so badly you couldn't dredge something up for the next bulletin?

It looks like one message a month or so is about all our president is able to muster. Why should he be any more competent than our other losers, er um, presidents.

[Winners](#)

Lion Byron WEDEMEYER has Free Fines today, while Lion Bedford PINKARD is our Greeter. Lion Byron was here when his name was called, so he'll be \$10 richer if he shows today. In the Mad Marble Malarkey, Lion 1VP Will BERG was unable to secure the proper orb and lost his shot at \$381.50.

[Election news](#)

No, we don't know who is going to win, but we will be manning the polling place at Julien Hathaway School again for the March 2 Primary Election.

Please put this on your calendars and don't make appointments so you can help out. Lions IPP Dick MAGGIO and BE/T Toby SCOTT will be working the election from 6:30 in the morning until about 10:30 PM, plus attending a 2 hour class and the

time spent organizing things. We need about a dozen Noontimers to step forward for a 3-4 hours each on election day to make the event a success.

[A bit of help](#)

Not much is happening in Noontimerland these days. Your BE is struggling to find things to write about that are entertaining.

If something silly happens to you or a fellow Noontimer, please call, email, fax or send by fast donkey to your BE so he will have something to include on these pages.

Pictures are nice, too, if you take anything interesting or silly.

Now you know why Noontimers aren't allowed to paint road markers.
