This week

.It is probably open.

Next week

Still no word. Looks like Lion 1VP Dennis AMICK has taken an early leave of his job as Program Chairman.

Last week

The only "program" we had last week was that Lion PDG Richard WATTS along with 4 of his friends from Cathedral City Lions decided to visit us. It was good to see (and tease) Lion Richard again. He hasn't changed much.

.Whispers from Will

Greetings Lions. Today is the last day of the Month so I don't think we're going to have a guest speaker. We had a Bored Meeting at Lion Todd's newly purchased house on G Street. Lion Andy reported on

Father Eugin's odyssey in getting his shipping container from the port and while it cost lots of money he did manage to successfully get it out of the port and delivered to the village. Sadly though, some of the monies that were being collected for a new school building for the village had to go for the container. Maybe some day in the future we can consider a project to make some money to contribute the village school cause, just a thought.

Toby is hard at work getting our DIN bulletin published on our web site. That way when we can't make a luncheon meeting we can still get our DIN updates on the web. Stay tuned for more on that later. The Bored unanimously chose Lion Mike Plisky to be our liaison with the United States Postal service. Mike, we'll explain what that means later. Final check arrived from the Strawberry Festival...the

club made \$2,000, plus the \$176.75 we received in tips! Congratulations to everybody for their support and participation and a very big THANKS to lion Dave Migocki who headed up the program this year.

And finally we have 15 representatives from the Noontimers signed up for the joint installation at the Bard Mansion on June 18.

Winners

Lion Sal GONZALEZ has Free Fines today. Big deal. He only attends two meetings a year and he's already used up his quota. Lion D Pat RIGGS is once again our Greeter. This makes three drawings in a row (we didn't hold a drawing while we had alcoholic beverage server training) that he's won the dubious honor. Lion Dr. Richard FIGUROA had his name pulled for the Attendance Prize, but huge surprise, he wasn't here and didn't qualify for the \$15 prize. In the Mad Marble Malarkey, Lion Loyal FRAZIER drew for \$216.50

but came up empty. Too bad. He's down to his last dollar and could have used the help.

Installation dinner

Total reservations, including spouses, is only 15. That means that most of the officers of the club won't be attending the Installation Dinner at the Bard Mansion on June 18.

Today is the last day to get your name on the list. It is going to be a wonderful evening. There are skeptics who think it won't be a wonderful event, but in the LA area, they started a few years ago with only a couple hundred people. It was so successful that it has grown to about 4,000 this year and they are negotiating with Staples Center for next year's. When you get a bunch of Lions together with food, booze, live music, dancing, more booze and lots of mingling, these events become really fun

events. If you miss this one, you'll be sorry.
