Last week

Councilman John Zaragoza decided to ruin his political career by paying us a visit. The city of Oxnard is making huge improvements to downtown and it's become a pretty attractive place to visit — even in the evenings.

Amickable comments

Lions has many strategies to benefit the sight and hearing impaired.

Get ready for Glaucoma Awareness Month

January is Glaucoma Awareness Month. Eye disease is a major public health problem in the United States and causes significant suffering, disability, loss of productivity and diminished quality of life for millions of people. With early detection and timely treatment, most vision loss can be avoided. Through the Lions Eye Health Program (LEHP), clubs and communities can help to save sight through early detection and timely treatment of glaucoma. For information on organizing activities around glaucoma awareness in your community visit www.lehp.org

Christmas party

Next Monday is the deadline for reservations for the Christmas Party. Be sure to make a last-minute push to get relatives, friends and others to join us. Currently we have about 60 reservations. Breakeven is 75.

We have a huge pile of door prizes, auction items and the like. No one should go home empty-handed.

The committee has been working hard (they even had yet another meeting last night — but no one told the BE what transpired) to make this the best Christmas Party ever.

Winners

Lion BE Toby SCOTT (WHO???) has Free Fines today, while Lion TT Steve SABEDRA is our Greeter. In the Mad Marble Malarkey, Lion Jim PLISKY tried for \$198 but came up empty.

Clothing

Oops. Lion Dave TAPIE discovered that the blue shirts we all liked turn purple in the sunlight. The combination of a navy jacked and purple shirt is NOT a thing of beauty according to Lion Dave's wife, Sue. We are on the lookout for new shirts (again).

Bored report

Not too much of interest happened at the Bored meeting Wednesday. We did approve a donation of \$1,000 to Project Lifesaver, a project to put electronic bracelets on Alzheimer sufferers so they can be found easily. Currently, many Alzheimer patients forget where they live and wander aimlessly for days — some have even died. The police departments spend many man-hours searching for them every month. Lions District 4-A3 has made Project Lifesaver a district-wide charity. Out money will go to outfit Oxnard sufferers.

Dennis AMICK and Dave TAPIE, it is a huge chore to try to fill up the Bulletin every week. I think we need a new Bulletin Editor. If anyone wants to take over now, they are welcome. I don't plan on doing it for another year in any event.

Anyone want a job???

With Lion 1VP Otto SCHIMMEL refusing to give me any information about upcoming speakers, including today's, if there is one; with no one from the Christmas Party Committee sending me updates on planning; with no one taking pictures at meetings; with no committees giving reports to me for publication; with the only persons who submit material for the Bulletin being Lions P
