### [This week](#)

Lion MC Will BERG is our (semi-)Special Guest today. He's going to give his annual "State of the Port" address. We'd be happier if he just served port, instead. Some day a real person will condescend to talk to us again.

### [Last week](#)

We had no program, but did discuss plans for the Special Olympics and Wounded Warrior half-marathon.

### [Next week](#)

Next week is the annual visitation by the District Governor. This year's DG is Lion Dick Kane, who visited us last year as First Vice District Governor. He will be bringing several other dignitaries. We should see Lion Zone Chairman Dan Harbold (of the Channel Islands Lions) and Lion Region Chair Barbara Penney, both of whom have visited us several times before.

### [Winners](#)

Lion Dave GOSNELL is our Greeter. Since he knows it doesn't count if he greets us late, we can probably assume we won't be greeted. Lion BE Toby SCOTT has Free Fines. Lion Chris PACHANA wasn't here when his name was called, so he doesn't qualify for the \$10 Attendance Prize. Today we draw for \$15. In the Mad Marble Malarkey, our Treasurer, Lion Tim TENOPIR, attempted to steal \$108 of the money he already has in his possession, but alas, he can't keep it. He lost (with 8 million marbles, it's not so surprising).

### [Facebook and Webpage](#)

Despite our plea last week, few Noontimers logged onto our Facebook page and "Liked" it. Please log onto Facebook, do a search for Oxnard Noontimers Lions Club and look around. Click on "Like." So far 7 people like us and we need 25 people to like us be-

fore we can have an easily remembered name, rather than our current address: <http://www.facebook.com/pages/Oxnard-Noontimers-Lions-Club/239219826109030>

We have put up a bunch of photos for you to peruse and have a place where we can discuss issues between meetings.

Also we have started discussing issues. Join in.

### [Fair Parking](#)

We didn't manage to secure any times to help park cars, and thus we received no economic benefit from the Lions getting the fair parking concession — except for Lion Rick SMITH.

Lion Rick took his family to the fair Wednesday and drove into the parking lot. He was stopped three times with people saying there was no parking, but each time he said he was a Lion helping out with fair parking. The last person to try to stop him was a cop, who replied, "Are the kids doing fair parking, too?" Rick replied, "No, they're going to the fair. Said the cop, "That's a good angle."

Rick got in. So, if we fine Lion Rick for the \$10 parking fee, we will have made \$10 from fair parking.

Stop by and see Ventura County Computers' latest addition: a Walden Surfboard courtesy of long-time customer Steve Walden.

If you are having trouble getting started on Facebook, we can help.
