[This week](#)

As far as your BE knows, we have no program for today. But then, he has been surprised the past two weeks, so anything could happen.

[Next week](#)

We are trying to get organized. Hopefully we will get the pipeline filled.

[Last Week](#)

Two people from Mountain Respite Camp dropped by to talk about and show a video of how the camp works. They take homeless, psychologically troubled, recovering addicts and others to give them a long weekend of fun and stress removal. Looks like a good program.

[Winners](#)

Lion S Sal GONZALEZ has Free Fines, while Lion T Tim TENOPIR is our Greeter (did he say we wouldn't be here?). Lion D Ross OLNEY will pocket \$5 if he shows today because Lion BE Toby SCOTT pocketed \$40 last week. In the Mad Marble Malarkey, new Lion Mark PAGAVON took aim at \$227 but lacked beginners luck.

[Programs](#)

We need to do some housekeeping regarding speakers. Two weeks in a row, your BE said we had no program and then one showed up. That doesn't look too welcoming.

which dates are open when talking to prospective speakers. We all need to help schedule speakers, but we really need to get better at coordination.

It is also possible with people booking speakers and not telling anyone that we could have two at once. Also not good.

Please, as soon as you have someone booked, let the Bulletin Editor know in some permanent way: email (preferred) or text. Every Bulletin has the BE's email address. If you don't have a bulletin handy, take a look at the www.Noontimers.org website. Under Bulletins, we have all the bulletins going back more than 10 years. Saying something at a meeting isn't permanent, nor is a phone call unless the BE is where he can write it down.

Once we have a couple of speakers scheduled, your BE will email out a list of upcoming speakers so you will know

calendar
