Last Week

Denise Carter was here to talk about Home Health Care. She has a lot of information about how to get for the aged. Many of us can use the information, so keep her phone handy.

Winners

Big news. Oh, the usual, Lion Rick GETTIEREZ has Free Fines and Lion D Ross OLNEY is our Greeter and Lion Byron WEDEMEYER wasn't here to qualify for the Attendance Prize so we draw for \$10 today. But the really big news is that Lion S Sal (more like Sol) GONZALES stole \$413.50 in the Mad Marble Malarkey. We can all cry together.

Installation

It's set for July 26, with the installing officer no less than Past International Director Lion Howard Hudson. In addition to his installation duties, Lion Howard will present his program on bugling. He presented this about a dozen years ago and several Noontimers expressed a desire to hear it again and some new Noontimers thought it sounded interesting and wanted to hear it.

The program/Installation will be at our regular meeting, but Guests are invited. Ask your insignificant other to attend. You won't regret it.

This week

As of this minute we don't have a speaker today.

Next Week

As of this minute it is open. Stay tuned.

Thanks For Pictures

Thanks again Lion Rick GUTIERREZ for the pictures.

We Are Serving Beer

We are serving beer at the Ventura County Fair, and surprise surprise, we accidentally signed up for every day. We are serving when there is entertainment, so it will be for a limited time, but every day. All of us will need a Responsible Beverage Certificate. If yours is more than three years old or you have lost it you have to get a new one. They are only

good for 3 years, and if you lost yours, you get to go to training again. They don't keep track.
