[This week](#)

Lion 1VP Jim PLISKY again forgot to talk to your BE and he isn't answering his cell phone. If we have a speaker today, our sincere apologies. The Noontimers are a barely organized troop of reprobates.

[Last week](#)

Lion 1VP Jim PLISKY spoke and amazingly, it was an interesting program. He had traveled to South Dakota on business and someone had asked him, "Have you seen Crazy Horse?" When Jim replied in the negative they took him.

A private foundation has been working on the statue for more than 60 years. It will be the largest statue in the world when done, but so far they only have the face. When completed it will be Crazy Horse mounted on his horse. Mt. Rushmore is about the same size as the face of Crazy Horse. It was an excellent program, with PowerPoint and DVD. Who'd have thunk it?

[Next week](#)

Who knows? Certainly not your BE.

[Tapie's Tripe](#)

He sends your BE a million jokes and anti-Obama emails a week, but nothing suitable for the Bulletin.

[Winners](#)

Lion P Dave TAPIE managed to draw his own number for the

Attendance Prize. If he shows he'll pocket \$5. Lion Carlos MARTINEZ has free fines, so he has immunity if he pours coffee in your lap. For the second week in a row Lion BE Toby SCOTT is our Greeter, so expect a bit of déjà vu. In the Mad Marble Malarkey, Lion MC Mike PLISKY purchased his usual jillion tickets, had his number called and couldn't find the white marble. He missed out on \$184 this week.

Day of Service

Lion DG Dan Lyon has proclaimed Saturday, January 30th, to be a day of service for all Lions clubs in the district. He has a grant from Lions International for publicity for all the clubs.

This is a great idea borrowed

Share. They need volunteers to call donors and thank them for their support. We will be phoning from 9:30 until Noon. Bring your cell phones fully charged as we will be using them to make the calls.

This is a good opportunity to thank our community for helping out on a worthy cause and introduce responsible members of the public to Lions.

With any luck, this will be successful and become an annual district activity. It has the potential to be a wonderful publicity and recruiting tool.

from International President, Lion Eberhard Wifts, who related at the International Convention that in Germany they have a nation-wide day of service every year and that the event is carried on all the TV and radio news programs as well as written about in all the newspapers.

The Noontimers are going to help out Food

calendar
