[This week](#)

It's the last Friday of the month and is open.

[Last week](#)

Lion Bret Chandler from the Fillmore Lions Associates Insectary Cooperative dropped by to talk about insects and how to keep them at bay. Their preferred method is to grow large numbers of insects that attack the bad bugs and turn them loose.

Who knows?

[Winners](#)

Lion S Ev BATEY promised to get a list of winners to the BE before Friday, but didn't. Hopefully, Lion Ev brings a list to the meeting.

ing. He has flyers.

[Events](#)

The Noontimers will be having dinner at Buca di Beppo in Thousand Oaks on September 18. Spouses are not only invited, but wanted. Please sign up with Lion Chris PACHANA. The Ventura Lions Club will be hosting an evening of Wine and Music as a fundraiser for LCIF's Campaign Sight First II, on Saturday, September 4 at the home of Lion Howard and Sandy Evans. Five wineries have agreed to participate so it should be a really fabulous event. Cost is \$25. Please let Lion BE Toby SCOTT know if you plan on attending.

Health Fair

The Noontimers are heading up the Lions involvement in the 5th Annual Health Fair at Our Lady of Guadalupe in La Colonia on Sunday, September 26th. In years past we have examined between 400 and 500 pairs of eyes and detected 30 or so potential glaucoma victims.

We will need major manpower for this event. Total manpower needed will be something around 40. Other Lions clubs are helping out, but we'll need tons of Noontimers, friends and family as well. If you have a prospective new member, this is a great way to introduce them to what Lions is all about.

It would be especially wonderful if we could get some Spanish speakers to help.

The Ventura Lions have agreed to provide a \$150 donation and to provide manpower. It's a start. We'll need more than that.

If you haven't participated in the Health Fair, you have missed a really well run event. The umbrella organization, Sai Baba runs health fairs all over the western states. The clients are screened for many different health-related issues, of which the Lions manage just vision. Last year there were a dozen groups, including several doctors from the cardiac unit at St. Johns and a bunch more your BE can't re-

member. There are hundreds of volunteers. The clients get what is for many, the first health exam of their lives. You really cannot imagine the scope of the event unless you have been there.

Lions S Ev BATEY and BE Toby SCOTT are co-chairing the event for the Lions. When we call, please volunteer. We need you and you will be overwhelmed by the amount of good we do.
