Volume 52, Issue 43

March 21, 2003

This week

Our Special Guest today is Marty de los Cobos, who is here to talk about Cal State Channel Islands, where he serves as a community relations director.

Next week

It's an open meeting. Bring your best jokes and Code 3 Guests.

Last week

John "Bat" Masterson, former world class race car driver, discussed the

Seniors can install the device and by pushing a button on their wrist or around their neck can contact emergency services.

But Bat failed to tell us why Lion Ross' nickname is "Rollover Ross."

"Lifeline" program, sponsored by Community Memorial Hospital, for seniors in Ventura County.

Musings from Maggio

Plans for the Magic Castle dinner and show are well under way.

This will be a fun filled evening of entertainment. Lion Dave Tapie will be calling members

next week to determine the best date to schedule the event.

The Bored will meet next Wednesday at 6:00 P.M. on March 26th at Lion Todd's home, 1158 Oyster Place. Entrance Code: 1538.

Inclement weather required the El Rio Lions to reschedule their Breakfast and BBQ to Sunday March 23rd.

What you learn from the Noontimers Official stationery has applicability to the current War now underway with Iraq. LIONS Stand For the following: L-LIBERTY; I-INTELLIGENCE; O-OUR; N-NATIONS; S-SAFETY!! For Noontimers we should probably forget the "I". Do not forget to call your Buddy!

Winners

Our Guest Speaker Bat Masterson really won Free Fines, but Lion Loyal FRAZIER is credited with them. Our Greeter is none other than our something-less-than-illustrious President, Lion What's-His-Name. New Lion Dennis AMICK was here and had his name drawn for the \$10 Attendance Prize. He'll collect if he shows today. In the Mad Marble Malarkey, Lion George THOMPSON took aim at \$189.50, but came up empty. Guess he'll just have to sell another diamond.

Elections???

It is time to begin planning for next year. We are supposed to post a slate of candidates for three issues before our election in May. Installation is supposed to be in June.

Accordingly, if you know of someone who would be a good candidate — or horror of horrors, if you want to volunteer yourself — please con-

tact Lion IPP Skip REMLEY or any other previous president. The Immediate Past President is automatically chairman of the committee.

Ventura Downtown Lions

We will be celebrating our 50th Anniversary this year. Lion ZC Rick SMITH attended Ventura Downtown Lions 80th partially as part

of his Zone Chairman duties and partly to get ideas. It was a good thing Lion Rick is a computer professional at Ventura

County Computers because no one else knew how to make the projector work. With all the dignitaries around it would have been embarrassing if the program wouldn't play.

Lion Diane Van Trees provided free wine, which added to the festivities. We should try to do the same at ours.
