[This week](#)

Our Special Guest today is Curtis Cannon Community Development Director for the City of Oxnard. Curtis will give us a short presentation on Community Development and describe some of the grief he goes through trying to get anything built around this place. Guess the city employees won't come off coffee break to help out a fellow employee, either.

[Next week](#)

Guess there will be a next week, but who knows what it will hold? Certainly your BE doesn't.

[Last week](#)

Ms. Nadine Gamble, Director of the Navy Marine Corps Relief Society, dropped by to talk about how they help Navy and Marine families.

Just another example of people doing good work in anonymity. If you don't kill, rape or maim, no one cares.

[Ramblings from Ross](#)

Hmm. Three emails from Lion P Ross OLNEY this week, but not anything for the bulletin. Thanks a lot.

We had an emergency Bored meeting after the last regular meeting to vote to spend \$75.00 for glasses for Sandra Hernandez, a referral from Human Services.

The check went out this week, with only three nags from Lion Ross.

If he could just learn to write.

[Winners](#)

Lion BE/T Toby SCOTT has Free Fines, while Lion D Otto SCHIMMEL is our Greeter. Lion D Dave TAPIE was here when his name was called, so if he remembers to show up today he'll enrich himself by \$25.

In the Mad Marble Malarkey, Lion Bedford PINKARD took aim at \$358.50 but was wide right.

Lion RC/S is the winner of the DG's Appreciation Award. Wonder if Lion DG George Stewart knows what he looks like now?

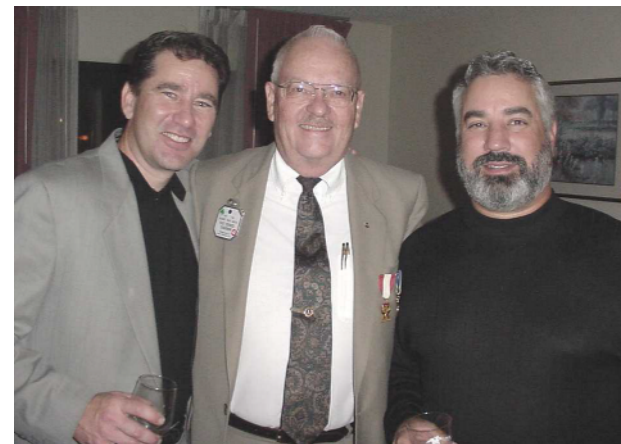

[Best wishes](#)

Lion C Andy STAY's wife, Flora, had her foot operated on yesterday and she's recuperating at home for a while. Lion Andy's going to have to learn to be nice to someone for a change. Maybe.

[More Holiday Party Pictures](#)

Nothing much is going on, so here are some more pictures from the Holiday Party. Hope we have a real event soon so we have something else to run. Anyone do something stupid for Christmas??? Tell your BE!!!
