This week

Our Special Guest today is Michael Case, who is currently representing the O'Ferrall family in their suit against the Channel Islands Harbor. He will provide an interesting follow up to Tom Volk's visit a couple of weeks ago.

Next week

Next Friday's (20th) speaker will be Simon Poulter of Crystal Energy. They are the folks proposing the LNG facility out on one of the former oil platforms some 11 miles off from Mandalay Beach.

Last week

Our Special Guest today is Detective Scott Whitney of the Oxnard Police Department. He is going to be talking about gang violence in Oxnard. Probably he'll bring pictures of his latest suspects looking for a match.

Ramblings from Ross

You have probably heard that the Oxnard High School Academic Decathlon team, sponsored by the Noontimers, placed first in the very difficult oral quiz competition and finally, in the overall score over the past several weeks, second in Ventura County. We helped them gang, to the best finish in their history. And we will help them again next year, when they say they hope to go all the way to state competition. These are a bright bunch of kids, and they thank us for the help. And we help to keep them busy with studies and thus help them stay out of trouble. So we should be proud, too.

Winners

Lion George THOMPSON has Free Fines today, while Lion John FARRAR is our Greeter. Gee, do you think Lion John will insure the diamond Lion George gives us? Lion Larry SEGUIN wasn't here when his name was called, so he didn't qualify for the \$25 Attendance Prize. Today we draw for

\$30. In the Mad Marble Marlarkey, Lion Carlos MARTINEZ attempted to garner the \$425.50 prize but missed.

Election news

Thanks to 2VP Dennis AMICK, D Dave TAPIE, P Ross OLNEY, D Pat RIGGS, 1VP Will BERG, D Otto SCHIMMEL, Mike PLISKY (and wife, Mabi), John FARRAR, George THOMPSON, C Andy STAY, Ralph SUTTON, Jim BICKEL, Jeff NORRIS and Sal GONZALEZ, who have all signed up to help out on the March 2 election.

We need a few more to fill out the schedule. We have to cover from 7 AM to 8 PM, which requires a lot of manpower. If you haven't yet signed up, please let Lions IPP Dick MAGGIO or BE/T Toby SCOTT know.

Thanks, sort of

As your BE is short of material, he had to resort to stuff sent in by Noontimers. Thanks, Lion D Dave TAPIE, for the recycled prurient joke below.

If you don't like this material, **SEND SOMETHING TO YOUR BULLETIN EDITOR!!!**
