This week

The word from Lion 1VP Will BERG: “Well depending on your point of view we either have bad news or good news. Due to a death a family emergency today’s speaker had been forced to cancel her presentation on the South Coast Area Transit or SCAT. As Lion VP Will has been out gallivanting around the State and hardly able to get here himself lately he was not able to secure a lion appropriate replacement. So today will be without a guest speaker.”

Next week

It is the last Friday of the month, but it isn’t exactly open. We will have the Installation of New Members, which will feature the induction of Lion Hal WASSERMAN. We have to get him installed because he has been a Noontimer for a year and will be our Tail Twister next month.

Last week

Kerry Forsyth with the Ventura County Transportation Commission better known as VCTC, decided to lobby us to vote for the sales tax increase. We need it because without it our freeways will clog and we will sink into oblivion in potholes. Naturally, the reason for all this is that when we get into budget problems, they don’t cut much from unpopular programs while they cut tons from popular programs

— and then they ask for a tax increase to pay for stuff we need, while we don’t have a choice on the stuff we don’t want. Hobson is alive and well in taxland.

Ramblings from Ross

Wherever Lion P Ross OLNEY was, he was too busy to bother sending anything to the BE. Good thing he is so dedicated to Lionism and the Noontimers. Where would we be without his sterling leadership?

Winners

Lion D Dave TAPIE has Free Fines, while Lion John FARRAR is our Greeter. Lion 1VP Will BERG had his name called for the \$10 Attendance Prize, but he wasn’t here. Lion MC Mike PLISKY attempted to acquire \$604.50 via the Mad Marble Malarkey, but he should have taken one of the several \$2 offers.

Pictures

Lion D Dave TAPIE was kind enough to take pictures last week. Here they are. Splendid work, Lion Dave. Clearly these folk are Noontimers. Not sure who they are by name, but clearly all Noontimers.
