This week

Because it is the last Friday of the month that we are having a meeting on, it is open. Beware, the club will be dark next Friday when we are all sleeping off our Thanksgiving feast.

Next week

There won't be a next week — at least for Noontimer meetings. Your BE is unaware of what program we might have at our next meeting on December 3.

Last week

Lion District Governor Ron Hurd decided it was time to suck it up and attend a Noontimer meeting. It's a requirement of the office. So, he brought all the moral support he could in the persons of Lions VDG Chuck Cassy, PDG

Ray Culp, PDG Rubin Gonzalez and RC Mike Hall. Everyone was on their best behavior (considering they were Noontimers). We even gave a present to Lion Ron: a bunch of free meals at In-And-Out — which rumor has it is his favorite fast food. Given all the driving he has to do for his DG-ship, they will probably come in handy. Also visiting were a guest of Lion BE/T Toby SCOTT, Marin Penzariu, and a guest of Lion MC Mike PLISKY, Steve Sebedra, who is a prospective member.

Whispers from Will

Robots in Japan pay union dues. All right --- at the Fujitsu Panuc factory, robots replaced some employees. The union screamed. The company ponied up robot dues.

Well Lions this will be our final lunch meeting this month. Friday next week is the day after Thanksgiving so we'll be dark that day. Our next lunch meeting will be Friday December 3rd. By the way, Toby Scott celebrated his birthday last Thursday the 18th, but ya-all already knew that from last weeks DIN didn't ya-all? Were you aware though that the southernmost point in Canada is in the same latitude as Northern California?

The countdown has begun for our annual (December 12) Christmas Party. Please don't forget to get those auction items over to lion OTTO at the Camino del Sol funeral home located at 220 north 'C' street, that's at the corner of 'C' and Magnolia. And finally, in Romany, the language of the European gypsies, a clan brother is called a 'phal.' It's where we got the word 'pal.' I'm told the oldest fast-food hamburger chain is 'White Castle' started in 1921.

Winners

Lion ZC/S Rick SMITH has Free Fines, while Lion MC Mike PLISKY is our Greeter. Lion BE/T

Toby SCOTT pocketed the \$10 Attendance Prize last week, so Lion 1VP Dennis AMICK will enrich himself by only a fin if he shows today.. In the Mad Marble Malarkey, Lion Irv TUCKER and friends were unable to collect the correct marble to enrich themselves by \$309. It's starting to be a tempting amount of money.
