### Last week

It was the last Friday of the month and was open. We were invaded by unknown, hostile reprobates — however we did get pictures of them on the right. If anyone knows who these invaders are, please contact the local constabulary.

We were visited by Lion ZC Rick Hellstrom and a prospective new Lion for the new Thousand Oaks Lions Club, which is in formation. Lion S Rick SMITH also talked about District efforts to create a new club in La Colonia. If we manage to add two new clubs this year, it will be a banner year for District 4-A3.

### This week & next

The usual. Who knows?

### Amickable comments

Dear Lion Leader

The start of a new calendar year gives pause to a moment to reflect on the previous year and holds hope for a better coming year. It is also the mid point of the Lions fiscal year, and provides a moment to look at what has been achieved and to evaluate the club's direction for the balance of the Lion year.

The concept of Karma tells us that the present is a product of the past and the future is a product of the present. What will you do to improve the future of your community? How are your clubs events and activities going? As you reflect on the previous six months of activities, what will you do differently or the same over the next six months? Is your community aware of the good works your club does? In creating a better future for your community, what projects will your club perform? Does your club have enough members to achieve the club's goals?

### [Strawberry Festival update](#)

An amazing thing happened to the Noontimers. The deadline for applications for beer booths for the Strawberry Festival is March 1. Ours was in **one month early!** No fooling. Lion David MIGOCKI actually got it in way, way, way early. He's been warned that his membership in this club of derelicts is in jeopardy if he continues this kind of unNoontimerly behavior. But in the meantime, we look good.

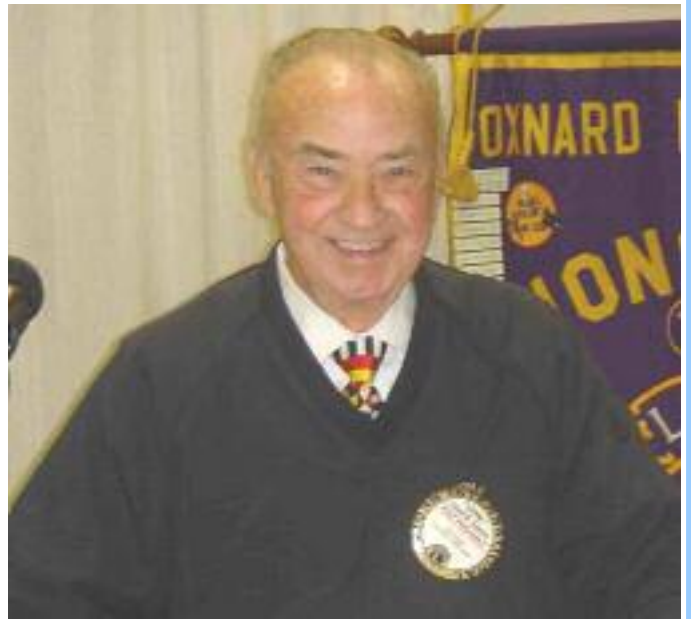

Your actions today shape the world tomorrow. Think about the direction your club is going.

With thanks and gratitude, yours truly,

Dr. Ashok Mehta  
International President  
Lions Clubs International

### [Winners](#)

Lion Sig ASKVIK has Free Fines, while Lion TT Steve SABEDRA is our Greeter. He'll probably fine us for being greeted. Lion P Dennis AMICK was here, so he'll pocket the \$5 Attendance Prize if he makes it yet again. In the Mad Marble Malarkey, Lion Kirby KANESHIRO took dead aim at \$292 but died.
