### Last week

Rick Manzer came and brought a ton of old stuff to show how he does period reenactments — like of Civil War battles, World War II battles and the like. Hard to believe that one of the hardest parts is getting shoes that are correct for the period. Rick reports that there are period reenactments for nearly every kind of period imaginable: medieval knights, pre-Caesarian Roman centuries, 2nd century AD Roman centuries and nearly everything in between.

personally invite your newer members, Leos if you have them, and if you're close enough, business associates to the "HOURS OF POWER" on Saturday afternoon from 1:00-4:00. PIP Bill Biggs, PID Ted Fusco, DG Scotty Scheutz, & VDG Gary Wong are coming from as far away as Philadelphia to make this weekend special. The event is FREE, and will be memorable on many levels.

DG Chuck will be meeting with all of you Saturday morning to see what he can help you with in the coming

months, & I would like to meet with your president-elects for some goal setting & community assessment exercise that I hope will help them get a solid start on their year right from the beginning. Please pass this memo along to them as I don't know who they are yet!

### This week & next

The usual. Who knows?

### Amickable comments

Below is a special request from Vice Governor, Lion Jeff Roundy. If after reading this you would like to with me on Saturday morning let me know,

Greetings!

This is a final "pitch" for this weekend's cabinet meeting. I'd like you all to make a special effort to

Yours in Lionism,

Jeff Roundy  
Vice Governor

## Winners

Lion D Todd REHANEK has Free Fines, Lion Kirby KANESHIRO is our Greeter and Lion Dr. Richard FIGUROA wasn't here to claim his \$5 Attendance prize. In the Mad Marble Malarkey, our waiter, Arturo, decided to buy some tickets and he was the winner. Unfortunately, he wasn't successful in grabbing the \$321.50 prize. Better luck next time.

## Valentine's Day — Noontimer style

Next Friday, bring your wife, your girlfriend, your office assistant, a neighbor or just someone cute off the street. The Noontimers are making an event of Valentine's Day, with an invitation to the opposite sex to join us. Sure, the real Valentine's Day is the 14th, but Noontimers aren't really an on-time outfit.

Besides, Friday is our traditional meeting day. Lion MC Mike PLISKY has promised to bring flowers for all the ladies and if someone gets around to it, there may well be other goodies. At any rate, it's going to happen next Friday. Be there or be [somewhere else].

## He's going to get you

Our Tail Twister, Lion Steve SABEDRA, has been told by the bored to be more aggressive at fining talkers, people whose cell

phones go off, anyone who throws anything and anyone else he cares to — even if he just doesn't like your new haircut. So, get used to it and pay up.
