[This week](#)

[Last week](#)

It was open and we had no program. Imagine that.

[Next week](#)

Who knows?

[Winners](#)

Lion D George THOMPSON has Free Fines (free diamonds for everyone???) and Lion Dave TAPIE is our Greeter. Lion 1VP Jim PLISKY was here to collect his \$40 Attendance Prize, so Lion Barry BRAFF lost only \$5 by not attending when his name was called. In the Mad Marble Malarkey, Lion S Jeff NORRIS won what was announced as \$515. However, Lion T Tim TENOPIR said there was some irregularity in the counting of money for the Malarkey, so we don't

know the exact amount Lion Jeff won. Whatever it was, it was more than the cost of lunch.

[Bored Retreat](#)

We will meet at Lion BE Toby SCOTT's house on August 16 at 6 PM to discuss the future of the club: new activities, fundraisers, ways of attracting new members and a host of other boring, but important, items. All are invited.

[Who Handles Charity Requests](#)

Your BE has received a request for funds. At one time we had a charity committee, but your BE is unaware of who the members of the committee might be. To whom should he turn over the information?

[Facebook and Webpage](#)

We are attempting to improve our communication among members. We have had a web page for ages,

but not too many go there. On the webpage there are back issues of every Bulletin since 2003. Your BE puts the new ones up (hopefully) before every meeting.

Now, we have a new link on the home page that will take us to our new Facebook page. Please log onto the page and “Like” us (the little thumbs-up icon just under the banner). If we need to we can restrict access to the page to Noontimers only, although it is currently set to open membership. Thanks to Lion 2VP Roman VAISMAN for setting up the new-format Facebook page.

The website is www.noontimers.org (which is quite easy to type). The Facebook page is www.facebook.com/pages/Oxnard-Noontimers-Lions-Club/239219826109030, which isn't too easy to type, so there is a link on the Noontimer.org website that will take you there.

If you haven't joined Facebook because of security issues, you can join with a fake name, wrong birthdate, but a usable email address.

Go to security settings and hide everything. When you get Friend requests, ignore them. If you have no “friends” no one can see anything about you.

Now you can log onto usable Facebook pages, post messages there and gather announcements in perfect security.

calendar
