[This week](#)

It is the last Friday of the month and we are FREE of any programs today. We can chat among ourselves, enjoy each others company and tell dirty jokes.

[Next week](#)

For next week we have few options. We can bring in a Chief of Police to tell us how many of us have warrants or maybe we should have an employment attorney talk to us about harassment at the work place. Either way we will have someone here, breathing or not.

[Last Week](#)

Patrick Miller from CBC FCU talked to us about Autism and specifically his son Andrew who is autistic. Patrick told us about his family's challenges and rewards in dealing with an autistic child. In the future Patrick is looking to create a self sustaining leaving facility for autistic kids. It will be a big project and will require major contributions and volunteer power.

Several Noontimers expressed interest in helping with the project.

Winners

Our greeter today is the Best Chaplain we Ever Had—Lion Andy STAY. Lion John FARRAR has FREE fines. He will probably try to sell us some insurance which does not work in California. If Lion Dick MAGGIO shows up today, he will not win any attendance PRIZE because he was not present at the meeting where his name was called. In the Mad Marble Malarkey, Lion Tim TENOPIR, tried to steal \$152 of club's hard earned money. His attempt has failed! I bet NSA had something to do with it.

June 3rd—Election Poll Work

Noontimers will be operating a Voting station. No FREE beer will be provided. Bring your own. If you have question on your assignments and an event location, contact Lion Pat RIGGS—the TRANSMISSION Master.
