[This week](#)

Our Special Guest today is George Yoseff. He'll be speaking on his adventures and experiences he encountered on his 2 year trip through Central and South America.

[Next week](#)

The guidelines for Lions Bulletins says we are supposed to have this item listed. We haven't known that far in advance since James Madison left office.

[Last Week](#)

So far this Lion Year, last Friday was the only non-program we have had (other than last Fridays, which are open by design). We'll give the administration a pass — but don't let it happen again.

It is probably a good thing we didn't have a program as we had very low attendance, including our President, 1st Vice President and 2nd Vice President. Lion IPP Roman VAISMAN had to preside, which brought back a lot of old habits.

[Winners](#)

Your BE messed up and lost his copy of last week's winners. We'll have to rely on the Secretary's list. Sorry.

[Signature Event](#)

We don't have a ton of sign-ups for our Teen Driving Clinic next weekend (in 8 days). We will be holding the event despite the lack of registrations so we can gain experience. Please sign up and show up.

[Vision Screening](#)

We are set for Sunday, October 19, at Our Lady of Guadalupe Church, to perform vision screening on about 500 people.

We will need a bunch of help. Please keep the date open.

No Bananas?

The Banana Festival is scheduled for 2 weeks from now, but we apparently will not be participating. If the BE is incorrect, someone please forward the appropriate info to him.
