Our Special Guests today are Megan Gately, Director of Education, and Stefanie Davis, Director of Marketing, for the Museum of Ventura County. The Museum brings history to you in an dynamic showcase of Ventura County's history. Through historic images and objects the Museum shows the rich and unique heritage of our past.

[Next week](#)

At the Bored meeting we were promised a program for next week, but no details yet. Stay tuned.

[Last Week](#)

Lion C Andy STAY arranged last week's program as well as today's. Last week Suzanne West along with two Rescue Mission program graduates came to talk about how the Mission helps people get clean and sober and put their lives back together.

It was an impressive program. The young man who spoke was quite impressive. He had been doing drugs, was thrown out of his house, was homeless and finally ended up at the Rescue Mission. Now, he's clean and sober, has graduated from culinary school and has restored his relationship with his family. The Mission does great work.

[Winners](#)

Lion Dave GOSNELL has Free Fines, while Lion C Andy STAY is our Greeter. Lion TT Jim PLISKY had his name called for the \$15 Attendance Prize but he wasn't here (how long has it been???) so he won't collect even if he shows today. So, we'll draw for \$20. In the Mad Marble Malarkey, Lion S Jeff NORRIS demonstrated his capabilities by not grabbing the correct marble, thus costing himself \$1,089 in the process. Only two marble left, so it should

be a fantastic sales day today

Activities Needed

Folks, this is it for the Noontimer news and upcoming events.. How about we get busy setting up something?

Our Cameroon Lion

Lion C Andy STAY has long supported honorary Noontimer Father Eugen NKAR-DZEDZE's mission in Cameroon. The club has participated on a couple of occasions. Lion Andy and his wife, Flora, have donated frequently to Eugen's village, Mfumte, most recently to their solar electrification project (see pictures). Lion Andy also helped bring water to the village along with dozens of other projects. For new Noon-timers, the wooden carving on the front of our podium was sent to us by the villagers of Mfumte.
