[This week](#)

It is desperation time. Our "Special Guest" is neither special nor a guest. Nor is he particularly interesting. But Lion BE Toby SCOTT will be here to talk about Windows 10. Just what everyone wants to hear about.

If you don't like the programs, invite better ones and let Lion 1VP Todd ADAMS know. Otherwise, you'll get a lot more Noontimer action.

[Next week](#)

Not sure what we have planned, if anything. Probably nothing or a Noontimer. Come on Noontimers, get thinking about who you know who would be truly interesting.

[Last Week](#)

Better than this week, but only marginally, Lion TT Pat RIGGS talked about cars, car history and computers in cars. It was so interesting you could almost forget he's a Noontimer.

[Winners](#)

Lion Dave GOSNELL is our greeter. It would be better if he were to thank us for coming instead. Lion P Kalani JOSE (not HOSE as your BE typed last week) has Free Fines. The Attendance Prize is up to \$35 now that Lion 2VP Roman VAISMAN wasn't here to claim \$30 last week. In fact, hardly anyone was here. In the Mad Marble Malarkey, Lion Dave TAPIE was unable to grab the proper marble and missed an unknown amount of money. Lion T Tim TENOPIR was unable to count the money rapidly enough to give a report. It was around \$180 last week, so it'll be approaching \$200 today.

Installation

It is set for tomorrow. Reservations should be in by now, but if you need to add people, talk to Lion P Kalani JOSE to see if it is possible. Show up at Larsens Steakhouse in the Collection at 5 PM to begin the festivities. Dinner is at 6 and we'll have a bit of fun after.

PAL/Cowboys Event

Several Noontimers have shown up for a stint pouring beer at the Cowboy's camp. PAL is making good money here so it is a great opportunity for us to help out. Be sure to make all your obligations.
