Who knows? However, Kelly Long, candidate for Supervisor, will be speaking on May 13. Should candidates speak on Friday the 13th? To the Noontimers?

[Last Week](#)

Mohammed A. Hasan, Engineer, author and water expert brought us his vision for fixing the water issues in California. It involves putting water into the Salton Sea and then taking it out of the aquifer later.

Lion D Bedford PINKARD had a stroke and is in St. Johns. As of a couple of days ago, he couldn't have visitors yet. No one answered this morning at the nurse's station when your BE called to see if we could harass him yet. We will let everyone know when he can accept us. The hospital may never be the same.

Winners

Lion Otto SCHIMMEL has Free Fines. One wonders if he will had out free caskets. Lion S Jeff NORRIS is our Greeter. Lion Jeff also was drawn for the \$50 Attendance Prize and then nearly had a perfect Noon when his ticket was pulled for the \$105.50 Mad Marble Malarkey. But then his luck ran out and he pulled a colored marble.

District Convention

We have decided to host a hospitality room for the convention of Friday afternoon. It's going to be a tax on club resources as some of us will need to be at the District Convention on Saturday and will need to vote on Sunday, so some will be working Friday and Saturday or Sunday. We'll need to call in all members if we can fulfill our speaker's

challenge.
