## [This week](#)

Our Special Guest today is more special to one Noontimer than to all the others combined. She is Lion Jessica SCOTT and she is here to talk about Quantum Mechanics. Yes, really.

## [Next week](#)

The Lions Collaborative will be here to talk about the 100 Year Celebration of Lionism and a group Installation of Officers on June 10. This will be a huge event that will need a lot of help from all the clubs in the southern half of our District. Lion BE Toby SCOTT is our representative to the Collaborative, but he won't be speaking. Much.

## [Last Week](#)

Monica Garcia, Chair of the Ventura County Real Estate Fraud Advisory Team, dropped by to ask us to keep an eye out for real estate fraud. She talked about the successes they have had and how people are still taking advantage of home buyers.

## [Winners](#)

Lion Dave TAPIE has Free Fines, while our visitor Francisco Jaena is our Greeter — if he decides to grace us with his presence ever again. The Attendance Prize of \$5 went to Lion Sig ASKVIK. After it got to \$40 the previous week, that's a come-down. In

the Mad Marble Malarkey, no one really cares yet. There are a gazillion marbles and only \$133, so Lion S Sal GONZALEZ was only mildly miffed that he whiffed.
