[This week](#)

Your BE is pretty sure there is no program today. Heck, leadership didn't know we were meeting today, so it is hard to think we might have a program. Besides, it is the last meeting of the year.

[Next week](#)

We won't meet next Friday, December 29. Next meeting is next year.

[Last Week](#)

Sort of, there wasn't a meeting last week. We held our annual Christmas party.

[Winners](#)

On the December 8 meeting Lion Sig ASKVIK received Free Fines for today while Lion Dean KATO is our Greeter. Lion Jim PLISKY wasn't here (when is he ever?) so didn't win the \$5 Attendance Prize. In the Mad Marble Malarkey, Lion Victor GALLARDO was unable to grab the white orb amongst the zillion other marbles. No problem, it was only worth \$106/

[Christmas Party](#)

We had one. So far, no preliminary accounting but we had to have made decent money. It was a large gathering, the bag-pipe player was awesome and the karaoke singing was varied — some really excellent, some not so much.

[Future Events](#)

Take a look at the calendar at the bottom of the back page. If we are going to have a club, we need to get something going. We need to start to work on the Student Speakers Contest and maybe do something about

White Cane Daze, which is officially scheduled for the first weekend in October. But then the Noon-timers never did anything to a schedule before.

Does anyone have any other events on the drawing board? Do we have a date and location for the Teen Driving Clinic (or whatever we are going to call it)? Anything else? We need activities.
