[This week](#)

Our Special Guest today is Jeff Maulhardt from the Oxnard Farm Park. He will be explaining what a Farm Park as well as other issues.

[Next week](#)

Bonnie Atmore from the Rancho Ventura Conservation Trust will be here to talk about the effects of the Thomas Fire, the rebuilding project and what is happening with the Two Trees.

[Last Week](#)

Greg Ramirez, member of American Board of Trial Advocates, dropped by to talk about Cuba. He's been 4 times and suggests that you can find approved tours to Cuba from the US. The other way is to go to Mexico City, change dollars to pesos and then travel to Havana. Cuba does not stamp US passports, so you are OK. He feels you are best served for your first trip to stay at one of the major hotels. Lots of good info, lots of questions.

[Winners](#)

No drawings last week, except for Attendance. Lion 2VP Jeff DAVIS had his number called, but he wasn't here. He won't qualify for the \$5 prize, so we'll (maybe) draw for \$10 this week.

[Strawberry Festival](#)

We will be serving chili dogs at the Strawberry Festival May 19—20.

On Monday we had a run-thru at the Masonic Temple to make sure everything was working.

If you haven't been paying attention, Lion Dean KATO has been working his ass off to make this event successful. We all need to step up to pull this off. Please make yourself available to work long shifts, so we have adequate manpower. It's also a great event to invite friends to — especially if they are potential members.
