[This week](#)

Our Special Guest today is Phillip McPhail, a magician and member of the Magic Castle. He is also an energy consultant. Phillip will perform a bit of magic and show us how it is done.

[Next week](#)

We should have a program presented by the Ventura County Museum. Stay tuned.

[Last Week](#)

Last Friday of the year, nevermind the month.

[Winners](#)

Hint: we all sat at one table.

[Installation](#)

Supposedly, we are having our Installation of new officers at next week's meeting. Your BE has been roped in to swear everyone in, but do we have an MC, a program, did we invite wives, are we doing anything other than a perfunctory rubber stamp? Inquiring minds want to know.

[We Need Projects](#)

We are starting on planning the Banana Festival, but that cannot be this Summer's only activity. Anyone have ideas?

Installation

Because of the shrinking finances, we will be hosting our Installation at our regular meeting on July 13 (Friday the 13th is a most appropriate date for our installation). Lion BE Toby SCOTT will be performing the Installation. Normally we have an MC who tells stories about Noontimers. Any volunteers?

Wives or girlfriends are welcome (best not both). With attendance being what it is, will any of the officers show up?

Where Is Everyone?

From the picture of the podium on the front page and the one to the right with no one at the head table and the one below with the only attendees last week, we are woefully short of attending members. You are paying for lunch. Why not enjoy it?
