[This week](#)

Our Special Guest today is Cheyenne Bingham, Grants Manager, from Many Mansions. She will be here to talk about Their latest project, Ormond Beach, and their other 618 project to date.

[Next Week](#)

Dr. Penelope deLeon, superintendent of the Oxnard Union High School, will be here to talk about the successes and challenges of running a large school district.

[Last Week](#)

Jodie and Rick Pena from Miracle League 805 were here to talk about getting to make the possibility of playing baseball available to all children — even those with disabilities. The idea came from a group in North Carolina and their video of the children was really a tear-jerker.

[Winner](#)

We were all winners with our program. But we held no drawings.

Pictures

Lion 2VP Rick GUTIERREZ was again talking pictures last week. Thanks for the memories.

Events

Next weekend on October 12 we are holding White Cane Daze at Vons and on October 20, the Sight Clinic. White Cane Daze is the only required event on the Noontimer calendar. If you don't participate you will be charged \$65.

Banana Festival

We sold out at 3:45 and raised something around \$2,000. Congratulations to all who participated. We have pretty well figured out how to do the banana thing. We'll do much better at next year's Strawberry Festival.
