## Last Week's Event

Last week's meeting was held at the Rescue Mission in Oxnard. How many Noontimers went to the Marriott instead? About 15 made it to the correct place where we were treated to a fabulous lunch of tri-tip, chicken, beans, salad and cheesecake. Then the Rescue Mission Director, Carol Roberg, introduced our waiters – all former alcoholics or drug addicts who are in the program to straighten out their lives – and the chef and staff who are teaching food service and gourmet cooking to the clients so they can have a profession when they get out. The Mission has an active program of placing them in the industry when they graduate from the 9 month program. She reported that about 25% of the men who enter the program are clean a year after graduation, and that about 60% of the graduates remain clean for a year. There is considerable fall-out during the program mainly because the men get involved with women, not because they revert to drugs and alcohol, although the women they drop out with frequently lead them back into addiction. It's a difficult job to get hard-core addicts' lives put back together. The Mission has a much higher success rate than almost any other program.

If you missed the food, you missed a great meal. But if you missed the program, you really missed out.

### WORDS OF WISDOM

*If you are not willing to risk the unusual, you will have to settle for the ordinary.*

## Otto's Epitaphs

With the Sound of Music and Julie Andrews singing through my head, "So long, farewell..." I bid you all goodbye as your Lions Club President. With sobering thoughts, unlike the installation banquet, this year has been a wonderful experience and I will miss standing at the podium looking out at all your blank stares. I'm so very glad that **Lion Loyal** suggested we outlaw napkin throwing but now that I'm no longer president, we may want to rethink that? Probably not a good idea. I look forward to being able to sit amongst the crowd once again. I wish **President Lion Toby Scott** a successful year with **Vice President Lion Bobby**. I'm sure the club will run at an even keel. A great BIG THANK YOU to Sara for all the behind the scenes work and selfless giving you do. You're definitely an asset to the Oxnard Noontimers Lions Club!

See you guys in the audience.

Your Prez, **Lion Otto**
