## Toby's Tirade

The Board decided not to have beverage training at a Noontimer meeting for the following three reasons: (1) Officer Waer wants two hours of undivided attention. No eating, no club announcements, etc. This would mean starting the meeting at 11:30, finishing eating by noon and then running until 2. Very few Noontimers can get away for this length of time. (2) Quite a few Noontimers have unexpired beverage cards, so the meeting would be useless for them. (3) We can spend the \$300 Officer Waer wants for a specialized class on better things. If everyone could attend and benefit, the \$300 would be worth it, but not for 5-10 Noontimers. So, everyone whose beverage card has expired will need to sign up for a class in the afternoon or evening. Lion Rick Gill will be passing around sheets with the dates for classes. It is up to each Noontimer to attend. Do NOT think you can get by with an expired card. We have done this in the past (as have other clubs) and they are cracking down on it this year.

President Lion  
Toby Scott

We will be having a hospitality room for both Friday and Saturday evenings at the District convention. Lion Steve Sabedra (and his wife, Sara) will be settings things up, so it should be a great event. Be sure to keep the dates open (April 18 & 19) and sign up when the sheet goes around. Lion John Farrar is also working on our entry in the Food Fair, so be available on Saturday for a few hours too. There is a \$75 reward for having the best "themed" food booth.

## Winners

**FREE FINES:** Lion Jim Plisky  
**GREETER:** Lion Carlos Martinez AGAIN. I think we should make Lion Carlos the Official Club Greeter!  
**ATTENDANCE:** Lion Loyal Frazer's name was drawn but he was unavailable for the meeting.  
**LOTTO:** Lions Ross Olney and Todd Rehanek were the winners.

## Marble Malarkey

**WINNER! WINNER! WINNER!** Lion Steve Sabedra was successful in winning the \$368.50 pot when he pulled the "magic" marble out of the bag. He also had free fines for the day so it was twice as good!

## Last Week's Speaker

The Noontimers got to play games during the meeting last week and this time it was encouraged. Ms. Carol Leish, motivational speaker/disability consultant/writer, presented her "Call Me Capable" game for the Noontimers to play. Ms. Leish spoke about the accident that caused her disabilities and gave a glimpse of what her home life is like after the accident. She is truly inspirational to everyone, not just those with disabilities.

## Alcohol Pouring

We all know how to pour alcohol but do you know all the legal ramifications of what happens if you pour too much, give it to a minor, or allow a drunk person to leave your party? Sr. Ofc Cliff Waer, Oxnard Police Department, is holding Alcohol Pouring Certification Classes at the Citrus Grove Police Storefront (building across from Burger King on Citrus Grove), at the following times:

April 15 (Tues) 6 pm  
April 17 (Thurs) 5:30 pm  
May 3 (Sat) 10 am  
May 8 (Thur) 12 noon  
May 14 (Wed) 6 pm

## Tucker Receives Plaque at City of Hope

Lion Irv Tucker received a photograph of the plaque that has been placed at the City of Hope, honoring Lion Irv for his 50 years of service to the City of Hope. All of the efforts Lion Irv has done for City of Hope add up to quite a bit of money given to this great organization. We are proud to have Lion Irv as a member of our club. He truly understands what it means to be a Lion. Job well done. CONGRATULATIONS TO LION IRV TUCKER.

NOTE: There is a City of Hope trip planned for Wed, April 30. You will be amazed at what is being accomplished there.
