Last Week's Speaker

United States Secret Service
Agent X spoke about counterfeit bills

Secret Service Agent X spoke to our club last week. He talked about the investigation of financial crimes and protection methods. He gave a brief history of the United States Secret Service. Agent X also gave tips on how you can verify that currency is not counterfeit. He discussed the ramifications of being in possession of counterfeit bills. Everyone checked their pockets and happily no one was carted off to jail. It was an interesting and informative discussion.

WORDS OF WISDOM

Mind your own business and in time you will have a business of your own to mind.

New Member Orientation A Success

Twenty one Noontimers attended the New Member Orientation a few weeks ago. I think that's a record. Five new members were "orientated". The induction of the last three new members will be held on May 30, 2008 at our regular meeting. Let's see if we can get perfect attendance for that one.
