Toby's Tirade

As you can see by the information to the right of this column, our Installation Luau is coming up next week. **We will NOT have a noon-time meeting on June 6.** I repeat, no noontime meeting on June 6, 2008. The Installation Luau will take the place of our regular meeting. We have 30 people signed

President Lion
Toby Scott

up to attend the luau but we need at least 20 more so invite friends, business colleagues, and relatives. We have tried to keep the cost down in the hopes that more people will attend. Wear your best Hawaiian costume, shirt, or casual attire.

Other news: The Board of Directors at their May 28, 2008 meeting approved a sizable donation to the Foundation of Junior Blind. This will enable the organization to continue their good work. Sight programs are what the Lions are all about.

The Ventura Downtown Lions Club Installation and 85th Anniversary Charter Night is Friday, June 13 at the Wedgewood Inn at a cost of \$85 per person. My wife, Ilona, will be sworn in as second vice president during this event. Anyone and everyone is invited to attend.

Lion Bobby Mullins has made arrangements for the meeting on June 27 to be held at the Oxnard Rescue Mission. Don't come to the Residence Inn on that day or you will be dining all alone! We make an annual trip to the Rescue Mission, check out what's going on and enjoy a delicious meal.

Nutrition, Exercise, Health

Dr. Tristin Wesenberg spoke to the club on May 16. She is a chiropractor with an office in Camarillo. Her emphasis is on nutrition. She talked about lifestyle habits and how they affect a person's health. One point she made that is easy to remember is to eat the foods that are on the perimeter of the grocery store. These are the least processed foods. She also talked about store bought multi-vitamins...if they are cheap, they are made cheap. We noticed that Lion Mike Plisky moved his chair up close. Could it be he's thinking of his health? Dr. Wesenberg actually got everyone up out of their chair to do a simple exercise to test balance. All in all, very good advice. She handed out a stress test indicator and offered a free consultation to anyone regarding their health, nutrition, exercise program, etc.

New Member Induction Today

Lion Mike Plisky will induct three new members today. Welcome to Lions Mark Payne, Bob Nichols, and Roman Vaisman. We have had five new members so far this year. Keep up the good work.

Rescue Mission Visit

Lion Bobby has set up the Noontimers regular meeting to be held at the Oxnard Rescue Mission on Friday, June 27, 2008. The Noontimers generally visit the Mission once a year and donate to their worthy cause. Mark your calendar for that date so you won't be the only one at the Residence Inn!

Photos from Strawberry Festival

Lion Rick Smith provided these great photos from the Strawberry Festival. It looks like some tiny Lions were also present. Thanks to everyone who helped with this event.
