[This week](#)

Our Special Guest today is Arnold Bresky, M.D. who is known as "The Memory Doctor" or the "Brain Tune-Up Doctor." His presentation is titled -- "Tune-Up Your Brain, Tune Up Your Life." He receives rave reviews everywhere as his talk is topical, timely and very informative on aging, living gracefully and successfully. He is becoming more and more in demand every day, as the news media (radio-TV-print) is becoming more interested in his holistic/wellness approach to brain health. His new book is titled "The Secret for Caregiver Success." He announced recently that 200,000 caregivers are needed immediately nationwide.

Capt. John Ailes, courtesy of Lion Chris Pachana, will be here to talk about WWII.

[Winners](#)

can pocket the \$5 Attendance Prize if he should show today and Lion Ross is doing double-duty as our Greeter, so he gets even more tickets to continue the trend next week. In the Mad Marble Malarkey, an unknown Noontimer missed his chance at \$111.

It was open, as planned.

[City of Hope](#)

Last Sunday was the annual Lions City of Hope day. Lion BE Toby SCOTT attended with tons of people from the district. It was an inspirational event

If anyone is on the

and Lion Toby suggests that if you haven't attended a City of Hope event in the past that you do so. They do great work and the Lions are a major sponsor. It is impossible to attend and not feel a stronger commitment to Lionism.

list who doesn't want the job, please speak up. If you'd like to run for an office, add your name to the list. This is, after all, supposed to be an election, not an anointment.
