[This week](#)

As far as your BE knows we have nothing planned at any time in the future.

[Last week](#)

Brian Critchley from Agromin in Camarillo dropped by to talk about recycling, mulch, dead bodies and lots of other interesting stuff. As long as you don't have to be up close, it's pretty interesting what is put in the trash — even what's supposed to be leaves, grass and branches.

See "This Week."

[Winners](#)

Lion D Todd REHANEK has Free Fines today while Lion 2VP Tom CONTRERAS is our Greeter. What language will we be greeted in? Lion BE Toby SCOTT was here when his name was called, so if he makes it today (and if you are reading this, he did make it) he'll collect \$15. In the Mad Marble Malar-

key, Lion LT Ross OLNEY proved he's too old to find his marbles and missed out on \$241.

['Tis the Season](#)

It is June 11. By July 1 we should have our installation of new officers. As far as your BE knows, nothing is planned yet. Even for Noontimers, this is pretty drastic.

Is it possible that our leadership could get their act together and get something planned?

[With Sorrow](#)

As we discussed last week, Lion PDG Capp Loughboro

died. He was the co-founder, along with Noontimer Lion PDG Hugh CRAWFORD, of the Western Lions Ear Foundation.

Unfortunately this week, Lion Donna Manuel died. She and her husband, Lion Tony, have been tremendously active in District activities. She was Lion of the Year, president of her club which won the #1 Club

Those of us who go to District activities have known Lions Donna and Tony for a long time, love them both and are horribly saddened by Lion Tony's loss. Our prayers go out to the entire Manuel family.

award, and has worked on countless District committees and activities. Lion Tony is a past Cabinet Secretary, he created the Access database program the District uses to keep track of members and clubs, and he is 2nd Vice District Governor elect.
