[This week](#)

Our Special Guest today is Mike Rameriz with the Police Activities League. He will be talking about PAL and how we can help.

[Last week](#)

Dee Duncan with New Directions Travel dropped by to talk about her program, which provides travel tours to brain-injured people.

This is a pretty spectacular program. If you missed it, you missed one of the best.

Who knows?

[Winners](#)

Lion LT Dick MAGGIO is our Greeter today, while Lion Chris PACHANA has Free Fines. Lion Sig ASKVIK was here when his name was called, so if he shows today, he'll win the \$10 Attendance Prize.

In the Mad Marble Malarkey, Lion Chris attempted to garner a Fine Free \$178 but got what he deserved.

[Health Fair](#)

Sunday is the day. We meet at 8:30 at Our Lady of Guadalupe Church at the corner of Colonia and Juanita in La Colonia. We should check the vision of about 400 people before the day is out. For many, this will be the first vision check of their lives. We will find people with cataracts, glaucoma and probably other blindness-causing conditions that should not be left untreated.

This is a real feel-good event.

Please plan to attend. Bring

friends and family — there's no age limit for helping. Also, use it as a recruiting tool. Invite prospective members. If someone wants to join you but they haven't signed up, bring them anyway. We need manpower and lots of it.

The signup sheet has space for morning or afternoon shift, but we'll need quite a few who sign up for both. Please step up.

Future Events

The official date for White Cane Days is the weekend of October 1-3. There is no way the Noontimers are going to be ready by next weekend, but we really should start planning for one of the weekends later in the month. Do we know who is in charge of WCD? Are they working on it?

Lion District Governor Mike Brown will be making his formal visitation to our club on October 8 — just two weeks away. We will have no other program that day. In addition, it is customary to get a nice gift for the DG. Is anyone working on this?

We have entertainment for a Christmas Party. Meal money has never paid for the expenses for the event. We need door prizes, raffle prizes and auction items galore in order to stand a chance of pulling it off. We also need to send our formal invitations out fairly soon. Do we have a Christmas Party Chairman? Do we have someone in charge of prizes, someone arranging meals, etc. and someone working on decorations?

We have two months to go and ask anyone who has done this before, that's not too soon to begin working.

The second District meeting of the year will be held November 12-13 in Cambria. Lion S Ev BATEY is attempting to get enough signups to charter a bus. The Cambria Lions have their own clubhouse on a large property right in the middle of Cambria. If you haven't been there, this is a great chance to spend some time in a beautiful vacation-destination town with locals who can help make your visit fantastic and join in the District activities. Presidents, vice-presidents, secretaries and treasurers are required to attend District meetings. All others are invited.
